Data on this form is valid only if filled out and signed by a Texas Tree Trails Official; a Texas Forest Service Regional Forester or an Authorized Texas Tree Trails Representative.

A copy of this completed form, the Nomination form, a Thank You Letter, the Measurement form and the Site form are all part of the Volunteer Packet that goes with the TTT Volunteer to measure a tree. The Thank You Letter and the Site form are presented to the tree owner (if the owner is available – otherwise mailed). There is also a measurement form used to record measurement data. After the tree is measured, all forms and photographs are sent to the Data Coordinator.
