The Texas Tree Trails program is a cooperative effort to find and recognize significant trees in Texas. The program is sponsored by the Texas Forest Service (TFS), Trinity Blacklands Urban Forestry Council (TBUFC), the Cross Timbers Urban Forestry Council (CTUFC) and the Dallas Historic Tree Coalition (DHTC). See our web site at <http://www.texasretrails.org> for additional information.

This form is for informational purposes detailing why we are collecting your information and what we are going to do with it. Any changes to the specifications outlined below, require written notification to the Texas Tree Trails office and to the property owner. Adequate time (a minimum of 60 days) must be provided to the Texas Tree Trails representatives in order to enact the changes.
